May 2022

Dear Friends:

The time has come when we will be able to come together to pray, gather some interesting information, share our thoughts, enjoy each other's company and have some good hearty laughs with all our friends, old and new. The LCUSA 2022 National Assembly will be held in Knoxville, Tennessee. The meeting dates are Friday and Saturday August 26 & 27 and the theme is **2022 Vision: Seeing Christ in the faces of those we serve**. Come a day or two earlier to enjoy the city and see the sights. We will have a Meet & Greet Social Thursday evening and we can have some fun together to kick off the assembly.

We are now all living in some extremely challenging times and are carefully watching how we spend our money. The Assembly Committee has been working very hard to make this trip as economically feasible as possible. Room rates are reasonable, and you can share this expense with one or more friends if you wish. Certain meals are being provided for you to help you save with your food expense. If you were able to save a little during the pandemic when we weren't able to go out and spend our money, maybe you have just enough saved to treat yourself to this Knoxville trip. Trust me, it will be very worthwhile.

I am sending all the Assembly forms to your National Regional Vice President to share with you. You can also access this information and register for the assembly via our website. Here is the link that gets you right to the assembly information.

This will be a voting year at the assembly for some of the National Board officers and representatives. Your president will be receiving further information on this, but she will need some members from your organization to attend as delegates so that you will have a vote in those women serving you on the National Board. This is another important reason for you to consider attending the assembly. Those members appointed by their presidents will be the voting members from each local association.

If you have any questions, feel free to contact me. My personal e-mail is pkeene9@outlook.com or call the office number listed below and leave a message. I am looking forward to seeing and meeting many of you in Knoxville, TN. in August.

Blessings
Peggy Keene
LCUSA National President
