Blessing Prayer for Discerning and Open Hearts

As we gather this morning to wrap up our Assembly and Board Meeting, we ask the blessing of our loving and gracious God.

May we be blessed with open hearts, able to hear the invitation of this moment.

May we be blessed with deep wisdom to discern what the world needs from us in this moment.

May we be blessed with insight into the complexities that abound and have clear vision for the message which needs to be communicated.

May we have courage to respond from the depths of our beings in whatever way we are called.

May we know deep healing of any wounds that have been part of this journey.

May we have deep and abiding peace as we trust and lean into the leading of the spirit and your inner wisdom.

May the blessing of Holy Wisdom abide with us this day and every day.

Amen.
