

Depaul USA

A Vincentian Response to Homelessness in America

**We aim to end homelessness
and change the lives of those
affected by it.**

Depaul USA is a national homeless services nonprofit organization and affiliate of the international homelessness services organization, Depaul International.

Creating a Vincentian Response

Depaul USA's Four Strategies

Invest in Vincentian
Values training

Collaborate with
other members of
the Vincentian
Family

Create a “work
home” for
Vincentian
professionals

Deliver services
consistent with
Vincentian Values

Depaul USA's Work

Animated by Vincentian Values, Depaul USA works with homeless men and women to:

Overcome the immediate crisis of homelessness

Improve their health

Increase their economic well-being

Attain and sustain housing

Depaul USA opened its first program in 2009 in Philadelphia and has expanded to seven other cities.

Depaul USA Strategic Goals

Depaul USA will develop more housing options for diverse populations.

Depaul USA will expand its housing inventory by **65%** by 2023

Depaul USA day centers will move **100** individuals into permanent housing each year.

Depaul USA will continue to expand the Dax Program by adding **42** more beds by 2023.

Affordable

Houses and apartments at below-market rents for low-income men and women.

In 2018, Depaul USA purchased and rehabbed an abandoned house in Little Rock. The house is fully remodeled and has been home to an employed gentleman since its opening.

In 2019, Depaul USA broke ground on the construction of its first affordable duplex. Since then, Depaul USA has constructed four additional duplexes.

Chicago | Little Rock | Macon | New York | Philadelphia | St. Louis

Permanent Supportive

Renewable leases, case management, and supportive services for formerly homeless disabled men and women.

New Orleans | Philadelphia | St. Louis

Transitional

Short-term accommodations with the goal of moving into a permanent home.

New Orleans | Philadelphia

Coming Soon! An 82-unit affordable housing complex in Macon, GA will include a **medical respite** for homeless individuals discharged from the hospital.

Youth Programs

Depaul USA has two programs focused on addressing youth homelessness.

DAX PROGRAM

The Dax Program provides housing, case management, and financial assistance to keep homeless college students on the path to graduation.

Depaul USA operates Dax Houses in Chicago, Philadelphia, and New York City.

ST. LAZARE

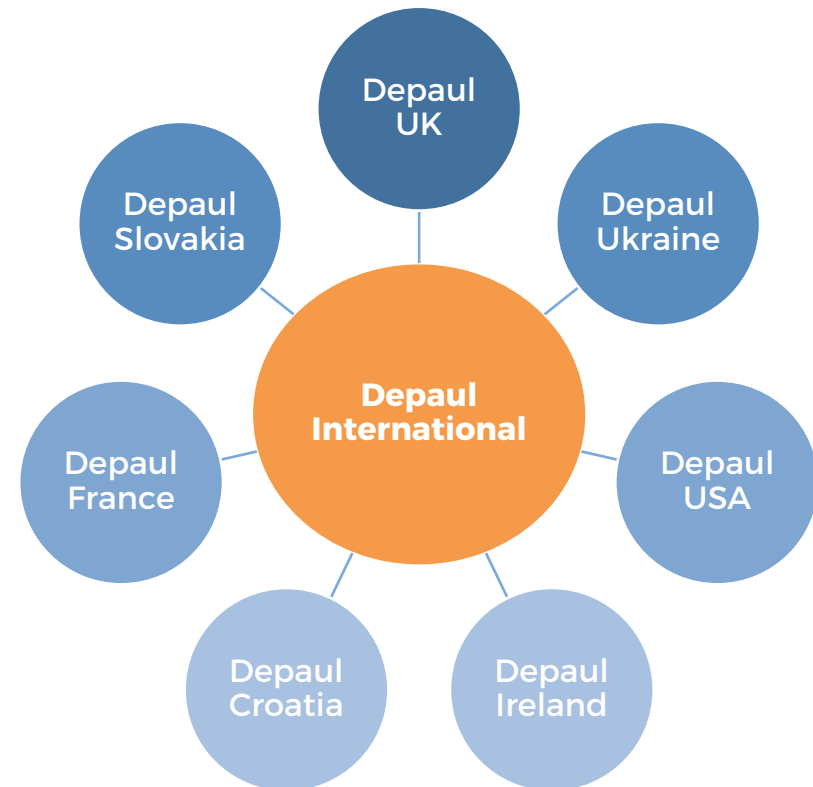

The St. Lazare House provides permanent supportive housing for homeless youth ages 18-24.

Global Impact

Depaul USA is 1 of 7 subsidiaries of Depaul International.

Together, Depaul makes a difference to people around the world who are disadvantaged and experiencing homelessness.
